

# STUDENT JOB OPPORTUNITIES

**The Department of Housing and Urban Development, Office of Fair Housing and Equal Opportunity, encourages students to consider federal careers in public service.**

We encourage students interested in future careers at HUD to apply for summer internships. Why choose to work at HUD? We are seeking highly qualified individuals who are willing to meet the challenges of public service and support our mission.

Our mission focuses on expanding homeownership, increasing access to affordable housing, strengthening communities through economic development, fighting housing discrimination, and tackling homelessness issues.
